

Pair Of Bronze Vases With Cloisonné Enamels

350 EUR

Period : 19th century

Condition : Très bon état

Material : Cloisonne

Description

An exceptional and refined pair of bronze cylindrical vases with polychrome cloisonné enamel decoration, adorned with finely chased applied lion mascarons. Each vase features exquisite floral decoration on a red background structured with traditional geometric motifs, framed by deep cobalt-blue friezes. The precision of the gilded partitions, the richness of the enamels and the subtle patina of the bronze bear witness to a particularly meticulous execution. The symmetrically arranged lion mascarons and sculpted openwork bases reinforce the decorative power and visual balance of the ensemble. Height: 14 cm
