Description

Important medieval-style wall tapestry representing a courtly scene in a richly decorated garden, in the spirit of the ancient tapestries known as millefleurs. A noble couple are shown around a fountain, surrounded by animals, birds and abundant vegetation, in a highly decorative composition with bright colors dominated by red. Twentieth-century decorative work inspired by tapestries of the Middle Ages and the Renaissance. Beautiful quality of weave, ideal as wall hangings or classic or eclectic interior decor. Hanging system on back. Good overall condition. Dimensions: Height: 124 cm Width: 99 cm Shipment possible in France and internationally. We remain at your disposal for any further information.
