Description

An elegant and functional table offering several height settings. The base is 60 cm in diameter and 6.5 cm high, with a small 2 cm rim (the same thickness as the two tops). The two smaller tops, each 40 cm in diameter, are staggered and each rest flush with the base. The first top measures 45.5 cm in height, the second 68.5 cm. The table is covered in a beautiful amboyna veneer that has recently been refinished with a high-gloss lacquer. Two round amboyna and stainless steel legs act as spacers, creating a light, suspended effect.
