Description

"Go Go" bar cart designed by Anna Anselmi for Bieffeplast in the 1970s. The frame is made of black powder-coated metal and the panels are made of smoked glass. It features some details, such as the outer perimeter of the top, which is made of vinyl. It is equipped with wheels for easy movement. Its cubic shape features a metal grille framing the glass. The doors open on two opposing sides, and inside there are shelves for storing bottles and glasses. Dimensions: height 65.5 cm, width 57.5 cm.
