

Element Of Woodwork Oeil De Dieu Et Armes Wood Sculté

870 EUR

Period : 19th century

Condition : Etat d'usage

Material : Painted wood

Description

Of great dimension, 125cm high by 65cm wide, beautiful wood carving, in the spirit of the Louis XVI period, probably made in Italy at the end of the 19th or beginning of the 20th. On the back, one can notice old repairs, currently an end of leaf is to be refixed. Very decorative.
