Very important oil on canvas depicting a animated hunting scene in a classical landscape, dating from the very early 18th century. This work was repainted in the 19th century. Important gilded wood frame, early 19th century. The composition, rich and dynamic, features riders and their dogs pursuing game in an idealized setting blending antique ruins, river and luminous countryside. The whole is in the tradition of Italian-inspired classical landscape, in the spirit of the great masters such as Claude Lorrain or 18th-century Venetian painters.
