### Description

Paul R. KOEHLER (active late 19th - 20th) Marine at sunset Pastel gras sur papier, signed 30 x 46 cm Delivery offered to Paris and Paris region. Otherwise, we work with trusted carriers for Europe and International. Don't hesitate to contact us for a quote. Paul R. Koehler is a little-documented artist, active around 1900, known for his marine scenes intended for a decorative market. His works often depict sailboats and harbors bathed in soft light, in a Northern European tradition. Done in oil pastel, his compositions are characterized by rich colors and dense matter, particularly suited to rendering water reflections and lighting effects, giving these seascapes a warm, decorative atmosphere..
