Description

In white calfskin, bridge style. All buttons are wood-covered in white calfskin. Front fly closes with 3 large buttons and 1 small button, with two straps inside. At waistband level, four buttons at front and two at back are for suspenders. To the right of the fly, on the waistband, is a horizontal pocket 11 cm wide, closed by two small buttons, and in the waistband to the left of the pocket, an 8 cm gusset pocket. At the back of the waistband, are two holes through which a lace passes to adjust the size of the breeches. The bottom of each leg adjusts with a 3 cl wide parv28 vm long calfskin strap with 7 mm calfskin strings by 42 cm long. New, period condition. France . First Empire
