Description

Table lamp in white enameled metal and transparent methacrylate, winner of the gold medal at the 13th Milan Triennale. Its curvature and thickness allow the light from the bulb contained in the steel base to rise up the transparent body and illuminate the top.The lamp is in good condition, with minor signs of wear. We try to present the actual condition of the lamps as accurately as possible with the photos. If any details are not clear from the photos, the description will apply.
