

6-carat Citrine And Rose Gold Ring

1 500 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

Elegant ring crafted in rose gold, whose warm hue sublimates the sunny radiance of the center stone. It is set with an approximately 6-carat citrine, with a luminous, sunny color, capturing the light with intensity and softness. The combination of rose gold and citrine lends this creation a warm, refined harmony, ideal for illuminating the hand with elegance. A luminous yet timeless jewel, imbued with character and femininity.
