Description

A large rectangular mirror made of carved and gilded wood. This piece is distinguished by a spectacular, richly carved pediment. At the top, a dove with outstretched wings--a symbol of peace or love--is set within a laurel wreath. It overlooks a central medallion adorned with two flaming hearts pierced by arrows, resting on a fluted base. A frieze of twisted ribbons and a beaded frieze. The frame is flanked by broad cascades of foliage and laurel leaves that cascade down the side panels. The lower section is adorned with two stylized scroll-shaped brackets, allowing the mirror to rest elegantly on a mantelpiece or console table.
