Description

Japan, late Edo period (1603-1868), very nice Samurai sword guard "Tsuba" in shakudo, a noble copper alloy containing 3 to 7% gold mainly used for its black-purple patina with a lacquered appearance. This tsuba is delicately decorated on both sides with slightly different motifs of foliage and flowers with gold highlights on a background of small raised dots. High-quality workmanship. Modern box specifically for storing tsuba. Dimension: Diameter 7.4 (cm). The scale indicator on the last photograph is a small model of a lighter of a brand known to all. Good condition except for slight wear due to age, without any impact on the beautiful aesthetics of this piece. We take particular care with our packaging by using optimum protection. Shipping includes insurance. Shipping rates: Metropolitan
