Description

More than a page of writing, a page of history. This is always the main promise of an apostolic bull! He is the 255th pope. Elected in 1846, Pius IX's pontificate remains with its thirty-one years, the longest in the history of the papacy. On the lead seal with its cord, we can make out the haloed busts of the haloed busts of Saint Paul and Saint Peter, and on the second side, beneath a Cross in glory, the three-line inscription PIVS/ PAPA/ IX is clearly visible. The dimensions of this page are 53 cm by 36 cm. Bull in good condition - Seal degraded with multiple chips. Reference 353c
