750 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Mahogany

Length : 130cm

Height : 76cm

Depth : 67cm

### Description

An English desk from the 1900's. The rounded top and beltline marvel at the baluster jamb. It rests on four claw feet that establish a careful and accomplished balance. The frieze on the top then sublimates the original caramel leather. It features two hidden drawers. This same harmony invites us to place it in the middle of a room. The original castors then add even more functionality. Delivery not included in the price.
