Description

"UFO" Table Lamp - Aluminor (France, 1970s)

A refined table or desk lamp in true Space Age style, featuring the iconic flying saucer-shaped diffuser that gives it a distinctive, futuristic look.

The metal frame features technical joints that allow the light beam to be adjusted as desired.

The design is enhanced by a Perspex (or satin-finish plastic) diffuser profile that shields the light, creating a striking visual effect typical of French designs from the 1970s.

Technical Details: * Manufacturer: Aluminor (France). *

Period: 1960s-1970s. * Materials: Chromed and black metal, hard plastic inserts, Perspex profile.

* Features: Adjustable arm and lampshade thanks to the joint at the base and head. *

Approximate dimensions: Height 51 cm - Base diameter 15 cm

Condition: The item is in good vintage
