### Description

Marble bust sculpture "Maiden" (Joan of Arc?) - 19th century Refined white marble half-length sculpture depicting a female figure with her hair tied back and a pendant necklace. The work captures the girl with a composed and spiritual expression, characterized by delicate features and the typical headdress of the period that frames her face. Around her neck is a thin chain with a circular medallion, a recurring iconographic detail in representations of this period. The choice of material allows for a translucent rendering of the skin, lending the figure an aura of purity and introspection. The artist's signature is carved on the back (see photo). Dimensions: height 26 cm - width 28 cm - depth 16 cm Period: 19th century Condition: The object is in good condition. The stone displays a delicate patina of
