Description

???? Pair of grey elephant velvet club moustache armchairs ???????? These moustache club chairs make an immediate statement. Their generous lines, inherited from the iconic models of the '30s, create an enveloping, balanced silhouette that is instantly recognizable. The "moustache" backrest and wide armrests structure the whole with elegance.???? Carefully reworked by an upholstery craftsman, today they offer remarkable comfort. The seat is deep, inviting, and the support perfectly balanced. These are armchairs in which you settle naturally, to read, chat or simply slow down.? The elephant gray velvet adds a contemporary dimension while respecting the spirit of the model. Its soft texture and subtle nuances play with light, revealing volumes and giving the ensemble a warm presence.???? In
