Description

OMEGA Genève Dynamic men's size watch, in steel, with day and date display. An iconic model of 1970s watch design, the Dynamic line is distinguished by its ergonomic case and immediately identifiable aesthetic. A watch today sought after for its distinctive style, perfect everyday wearability, and particularly appreciated for its excellent ratio between design, build quality and accessibility in the vintage Omega universe. This model is equipped with a reliable and proven Omega automatic movement, with day and date display at 3 o'clock (disc in French). The dial is one of the main assets of this piece: deep blue with a sunray finish, offering beautiful variations of light. The applied hour markers and peripheral minute track reinforce its graphic identity, while the blue central second

hand adds an additional aesthetic touch. The original integrated steel bracelet, often replaced on these models, is present here - a feature particularly appreciated by collectors. We note a visible patina on the indexes, consistent with the watch's age and contributing to its authenticity. A vintage watch with a strong design, easy to wear, and representative of the Omega aesthetic of the 70s. The watch is duly signed and numbered, and its proper functioning is guaranteed by us for one year (except in the event of shock or immersion). Model: Genève
