Description

Oil on cardboard depicting a troika in the Russian countryside, late 19th century, signed lower left, signature to be deciphered. This winter scene captures a troika advancing along a snow-covered road, in an open landscape swept by the cold. Movement is accentuated by long tracks in the snow and the road's receding perspective. The rapid, vibrant brushstrokes, combined with a soft palette of whites, grays and pinkish ochres, lend the work a luminous, lively atmosphere. The characters, bundled up, bring a narrative and warm dimension to this scene of rural life. Transport France 10EUR Transport Europe 20EUR Transport for all other destinations ask for a quote
