

Earthenware Planter Moustiers 18eme

770 EUR

Period : 18th century

Condition : Bon état

Material : Earthenware

Length : 37

Height : 9

Depth : 22

Description

Rare and beautiful earthenware jardinière with blue monochrome painted decoration of foliage and interlacing in the Berain style. It has a curved shape and rests on three small feet. The handles are grotesque. Good condition, a few chips (especially on one of the feet). No restorations. Moustiers 1st half of the 18th century.
