Description

Engraved crystal salad bowl, silver mount 1st title, Minerve hallmark France, Art nouveau Diameter: 22 cm - Height: 8 cm - Weight: 860 g Superb, soberly precious salad bowl in clear crystal, richly engraved with plant motifs, resting on a finely chased silver mount 1st title, Minerve hallmark. The decoration, typical of Art Nouveau, offers a particularly seductive play of light, highlighting the purity of the crystal and the quality of the silver. An attractive piece, easy to place, and whose quality of manufacture makes it a sure bet for lovers of tableware. Perfect for sublimating a refined service, this salad bowl will gracefully accommodate a fruit salad, entremets or any delicate preparation. It will naturally find its place in the center of the table, accompanied by small silver spoons and white porcelain plates,
