### Description

Établissement Émile Gallé  
Slender soliflore vase in acid-etched multi-layered glass, decorated with orange anemones on a satin-finish background. The contrast of colors and the finesse of the acid etching highlight the floral motif and the quality of the Établissements Gallé's work. Very beautiful Art Nouveau piece, elegant and luminous, typical of Nancy glassmaking  
Signature: Gallé engraved in reserve  
Excellent condition, no cracks, no chips, no restoration. Minimal traces of use.  
Shipping: Very careful packaging, suitable for fragile objects. Fast, tracked shipping.
