Description

Pair of Vanity Fair Frau armchairs

The Vanity Fair armchair is perhaps the most iconic and well-known classic armchair in the history of Italian design.

Born in 1930 as the 904 model in China red by the genius of Renzo Frau.

The current name, Vanity Fair, came many years later, in 1984, in homage to the well-known American magazine born in the early 1900s.

The armchairs are in original Frau turquoise leather.

Poltrona Frau was founded in Turin in 1912,
