

Large Empire-style Bronze Chandelier.

1 400 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Diameter : 90 cm

Height : 97 cm - 155 cm

Description

An Empire-style bronze chandelier with 12 arms of light from the 19th century. The central crown is adorned with palmettes and swan necks. Faux opaline candles. The original chain (60 cm) can be adjusted in length. It attaches between the high crown and the ceiling light, extending the height of the chandelier to 155 cm. Verified, functional electrification.
