### Description

A pair of Louis XVI-style wall sconces, featuring an elegant structure in iron and wood, finely carved and finished in gold lacquer. The symmetrical and harmonious design is enhanced by leafy motifs and central oval mirrors that reflect and amplify the light, bringing brightness and refinement to any interior. Each sconce is fitted with three candle arms and still retains its original candles--a rare detail that adds significant historical and decorative value. Perfect for classic interiors or for introducing a dramatic and sophisticated accent into contemporary spaces, these wall lights are a fine example of Neoclassical taste, combining elegance, craftsmanship, and timeless charm.
