

Floor Lamp Model Birillo, By Carlo Nason, For Mazzega, 1960s, Italy

2 600 EUR

Signature : Carlo Nason

Period : 20th century

Condition : Très bon état

Material : Glass

Diameter : 35

Height : 103

Description

Made of glass and aluminum, it features a structure composed of three elements: a cylindrical base in orange glass, a central metal connector, and a large upper diffuser in white glass with a rounded shape.

The lamp is equipped with two internal light bulbs, operated by switches located on the back within the central metal section, allowing the light sources to be turned on simultaneously or independently.

Overall dimensions: height 103 cm, diameter 35 cm.

The general condition is excellent, with minor signs consistent with age and use.
