

Pair Of Porcelain Menus With Children's Imagery

240 EUR

Period : 20th century

Condition : Parfait état

Material : Porcelain

Width : 11 cm

Height : 16 cm

Description

With childhood and culinary imagination in mind, here are two menus featuring little "chefs" prey to surprises during their activities in the pantry when the rabbit escapes from the pan or those funny onions that make you cry so much. The menus are made of porcelain with a visual cookie surface, so you can write on them and erase as you please, and the borders are embellished with gold fillets. Shipping in France and internationally me, contact for details
