

## Carved Stone Lion Of Protection - XIXth Century

190 EUR

Period : 19th century

Condition : Bon état

Height : 11cm

### Description

This sculpture of a guardian lion, an emblem of protection and dignity, dates from the 19th century (late Qing dynasty). Made in a soapstone with amber highlights, the work is distinguished by its delicate natural veining and antique patina. The delicacy of the carving, typical of late imperial craftsmanship, underlines the power of the sacred animal. Presented on its original blackened wood base.
