Description

Silver teapot / coffee pot resting on four scrolled feet with foliate attachments. Flattened spherical body forming almost a torus with a straight front belly, embellished with an oval virgin medallion surrounded by laurel and rose branches, topped with a Marie-Antoinette bow and flowery garlands at the high chimney neck. Greek-arched geometric handle richly decorated with foliage and fillets, with a lower clamp adorned with a satyr's head. The applique spout, outlined with fillets, features guilloche ornamentation enriched with acanthus, laurel and ivy leaves. The domed lid, adorned with a corolla of acanthus leaves, ends in a knob. France, late XIXe century. Work in the Louis XVI style. Silver 950/1000, Minerve hallmark. Master goldsmith hallmark: Têtard Frères. Dimensions: Length: 23.5 cm Diameter:
