Description

Quite characteristic of this excellent artist, superb and luminous animated chateau interior. Charles Louis Lesaint, like his Maitre Bouton, specialized in architectural views, church and cloister interiors, and ruins. This interest in the heritage of the Middle Ages, together with meticulous craftsmanship inclined him towards a certain romanticism. His paintings appeared at the Salon from 1819 to 1843. He was awarded a medal in 1822. He depicted a few landscapes chosen from regions that attracted him because of their archaeological remains: Normandy ( Jumièges ), Picardy, the surroundings of Liège, Cologne and Avignon. Works by our artist can be found in the Musée d' Avranches ( interior of a cloister ), ( destroyed in the fire at the Hotel de Ville in 1899 ) Montpellier, watercolor. Our
