Description

This drawing on paper was created by Jim Fitzpatrick in 1989. It is a surrealist representation with a winged figure and a team of horses in the foreground. The whole is very colorful. There is a weft on the back, it may be a heightened process on paper. We point out that the paper is stained, a little warped, but the colors have remained fresh. Our many photos allow you to appreciate the quality of the item. For condition please detail the photos. Feel free to zoom. The photos are an integral part of the description.
