### Description

Elegant "bookcase" display case, crafted from solid cherry wood with finely carved solid mahogany trim. The cabinet features a linear design, with the upper section terminating in a notch and featuring geometric diamonds framing the display case. The display case also opens with a gilded bronze key, revealing three shelves for displaying items. The lower section features carved geometric diamonds, two drawers, and two doors, which open onto two ergonomic shelves. The lower section, under the top, also features pulls that open a small shelf, likely used for reading. This is a piece of great taste and refinement, capable of furnishing any space with class. Italian manufacture from the Louis Philippe period, circa second half of the 19th century. Dimensions: H x W x D 240 x 130 x
