

Art Deco Display Cabinet With Breche Marble

499 EUR

Period : 20th century

Condition : Bon état

Description

Argentier in good condition without the spokes. Everything else is there, breccia marble not broken but just wear on the edge front right to fill with plaster, if you le voulez. Very nice glass curved on the sides... In the door it is bisauté, the lock works and I will change the key. The shelves can be remade in wood! if they were not there .. glass or wood Everything is in veneers and of a manufacture of great qualities, burr elm or other and beech .
