### Description

Here's a more-than-pleasant work, indeed it depicts a nude woman probably posing for the painter seen in the background. A woman in a suit can also probably be seen posing, while another is in a bathing suit typical of the 1930s. The work is full of emotion, very vivid in color. We didn't decipher the signature, but no matter, the quality is there. The work is high in color, with matter, probably done with a knife on one part. There's a nice atmosphere. The geometric construction is interesting. The work is uncleaned, unrestored, we've deliberately left it that way. Let's note some small paint misses in places, some wear and rubbing of the canvas, nothing too serious, but we'd like to draw the attention of the more fastidious to these small flaws. For condition, please detail photos. Photos
