Description

Guéridon En Marqueterie De Style Louis XV, circa 1900Elegant Louis XV style marquetry salon pedestal table, made circa 1900.The circular top features rich marquetry with floral and foliate decoration forming a central medallion surrounded by radiating decoration in precious woods.The belt is embellished with a drawer on the front, practical for storage. The top is surrounded by a gilded brass moulding. The uprights are adorned with gilded brass trim and the curved legs end in brass sabots.A movement-shaped lower spacer shelf connects the legs and lends stability and elegance to the ensemble.French work from the late XIXe century - early XXe century, in the taste of Louis XV furniture.Very good condition, well-preserved marquetry and clean
