

Silver-plated Jug / Ewer With Art Nouveau Floral Decoration

90 EUR

Period : 20th century

Condition : Etat d'usage

Height : 23 cm

Description

Superb Art Nouveau silver-plated ewer / jug, produced by WMF (Germany).

Gracefully elongated shape, with an elegant flared base and embossed floral decoration featuring foliage and irises, enhanced by the characteristic "whiplash" lines typical of the 1900 Art Nouveau aesthetic.

Well-fitting lid, with a beautifully balanced and harmonious overall design.

Height: 23 cm

Base diameter: 9.5 cm

Marks on the underside:

WMFB in a rectangle (WMF)

1/0 (silver-plating grade - silver-plated metal)
