350 EUR

Period : 19th century

Condition : Très bon état

Material : Oil painting on wood

### Description

A fine portrait of a horse in a landscape, signed by Géo Bernier. A beautiful oil on wooden panel depicting a horse in a meadow, rendered with a supple and lively touch, set within a rural landscape enlivened by a striking, animated sky. The animal, shown in profile, is portrayed with great accuracy and presence, in a style that is both naturalistic and sensitive, characteristic of Géo Bernier's interest in the animal world.

A recognized Belgian painter, Géo Bernier is particularly appreciated for his animal scenes, and especially for his depictions of horses, which he captured with spontaneity.
