Beautiful solid wood top, solid, probably pine wood, vintage 1960s-1970s, fine craftsmanship. The structure is sturdy with exposed nail assembly and interlocking elements. Curved, cut-out handles. The whole has a beautiful original patina with a warm varnish, highlighting the wood grain. The style is more reminiscent of French rustic or mountain chalet-style production. Visible nails. Very good overall condition, with normal signs of use, presence of old glue mixed with sawdust in the original interior corners. Approx. 1,500kg-2kg.
