Description

Homme dans un intérieur - Saint Jean - Oil on canvas - 1986 Oil on canvas depicting a man in an interior, signed Saint Jean and dated 1986 lower right. The composition is distinguished by a very present material and strong impasto, the paint being applied in thick strokes that give relief and depth to the scene. This expressive pictorial writing enlivens the surface and reinforces the intimate character of the subject. The painter Saint Jean, active in the second half of the XXe century, developed a sensitive figurative painting in which matter and light occupy an important place. His work favors interior scenes and figures, treated with a free and generous touch. Dimensions: 60 × 81 cm Technique: oil on canvas Signature : signed and dated 1986 Condition: good condition Frame: sold
