

Carved Panel Louis XV Period Cupid

880 EUR

Period : 18th century

Condition : Bon état

Material : Painted wood

Width : 27

Height : 42,5

Description

Superb decorative panel in wood carved in relief and polychrome from the LOUIS XV period, representing Cupid, with a bird in his arms and a quiver with arrows, a few paint chips are to be noted but are not serious in view of the age of this superb and unusual panel.
