

Polylobed Cup With Beetles On A Powdered And Glazed Background By Daum, Circa 1900, Galle Era

2 290 EUR

Signature : Daum

Period : 20th century

Condition : Parfait état

Material : Glass

Diameter : 15 cm

Description

Exceptional beetle cup in applications by Daum. Rare poly-lobed cup with 2 insects in hot application then reworked with a wheel on a multicolored background of vitrified powders (blue, green and yellow). The insects' pastes are engraved and the whole is enhanced by a surface iridescence. Piece signed under the base, circa 1900, 15 cm diameter, perfect condition. Rare art-nouveau piece in superb condition.
