

## Lion, Heraldic Type, In Solid Silver.

340 EUR

Period : 19th century

Condition : Très bon état

Material : Sterling silver

Length : 12 cms

Width : 4 cms

Height : 8 cms

### Description

Beautiful lion standing on its hind legs, its criniere, long tail curved in a wide circle, and resting on the terrace. This one features fruit and foliage. The animal is menacing, its mouth half-open in an aggressive, dominating stance. A hole under the head, in the middle of the chest. This lion had a hundred or so domestic uses: toothpick holder, or perhaps a small bottle with a missing stopper. Very fine workmanship.
