### Description

Universe of theater. Albert Guillaume. Oil on panel "conversation galante dans la loge" signed lower right A. Guillaume. 41 X 32,2 cm. French school. Albert Paul Guillaume (1873-1942) was a pupil of the excellent Jean-Léon Gérôme (1824-1904), from whom he took the best, to reproduce with immense talent the life and manners of his time. Our painting is a brilliant snapshot of that belle époque whose carefree lifestyle we now so envy. This world of beauty, pleasures, falbalas, dandies in their Sunday best, beautiful courtesans and grandiose as well as frivolous spectacles collapsed the day after its grandiloquent performance. What a testimony we can admire here! Beautiful period wood and gilded stucco frame. Good condition. 13800 euros.
