Description

Pair of enameled sheet metal industrial pendant lights - 20th century Beautiful pair of enameled metal industrial pendant lights in a dark gray hue, dating from the mid-20th century. With their sober, functional design, these fixtures feature a wide bell that effectively diffuses light, typical of workshops and factories of the period. The original fastening systems are still present, with their hooks and chains, testifying to their authenticity. The set retains a beautiful patina of use with traces of time, scratches and minor wear that reinforce their industrial character. Ideal suspended above a kitchen island, a table or in a loft or atelier-style interior. Features: Era: 20th century Material: enameled sheet metal Color: dark grey Condition: good overall condition, wear from use Sold as a pair Dimensions: h 50 x 50.
