### Description

Bronze horse head on pedestal - 20th century  
Elegant sculpture of a harnessed horse's head, created in bronze with a nuanced brown patina. The work is distinguished by the quality of its modeling, with fine, expressive detail work: lively eyes, neck veins, carefully treated mane and delicately sculpted harnessing. The whole exudes a beautiful presence and controlled realism, testifying to a definite artistic skill. The sculpture rests on a circular base in black marble, providing stability and contrast to the warm patina of the bronze.  
Dimensions: Height: 29 cm  
Base diameter: 17 cm  
Condition: good overall condition. Nice patina, some slight traces of use without noticeable alteration.  
Epoque: XXth century
