Description

Interesting depiction of a well-to-do peasant's interior in the late 19th or early 20th century. Central fireplace, on the left a wooden bed covered with quilts, on the right a beautiful still life of copper and other kitchen utensils. On the mantelpiece, everyday objects. Beautiful atmosphere, not shabby. Muted colors, brightened by a few bright touches. Nice ensemble of a typical peasant's interior having acquired a certain ease. Spine fully parquetered in the 20th century. France.
