Description

Mountain painting. Oil on canvas "la mesure au pied de la montagne" unsigned. Annotation on the back: SERRA, evoking the painter Antoine Serra. 61 X 50 cm. French school. Antoine Serra (1908-1995). Is this a view of the Alpilles taken from the olive groves between Mouriès (where Serra had a residence) and Les Baux-de-Provence, or could it be the Garlaban or the Etoile massif that the Marseille painter particularly appreciated? In any case, our painting was done by a talented artist who used bluish grays for the mountains in contrast to the earthy ochres and muted greens on the foreground landscapes, just as Antoine Serra did in his day. Beautiful Montparnasse-style carved, painted and patinated wood frame. Good condition. 750 euros
