Description

Elegant Napoleon III-period wrought-iron gate in perfect condition, with an artistic vocabulary typical of the period. With a curved top, the leaves are secured by six large hinges to a frame with 8 original sealing lugs, and are closed by a working espagnolette. Properly dismantled, it is ready to install after treatment and painting. The lower metal sheets, fixed by glazing beads, are not oxidized. The passage dimensions are 336 cm high by 284 cm wide, for 342 x 297 cm outside the frame. The height at the bottom of the hanger, at the top seal, is 299 cm for 342 cm at the top. The cross-section of the frames is 30 mm² and that of its motifs is 22 x 15 mm. You can visit our site: www.claudeaugustin.com
