chrome center leg. Four elegant chrome-plated steel chairs with white vinyl upholstered seats (recently reupholstered). The tapered back adds a touch of lightness and airiness, ideal for small dining areas or verandas. Excellent vintage condition. The chrome is bright and clean, with minimal wear normal for its age. The tabletop is bright and well-preserved. The seats are plush and free of significant marks. In the age of disposable furniture, this set stands out for its longevity and timeless design. The combination of white and chrome is incredibly versatile and fits perfectly into a minimalist, Mid-Century Modern or eclectic 70s-inspired interior.
