6 800 EUR

Signature : Umberto Baglioni attr.

Period : 20th century

Condition : Bon état

Material : Stone

Height : 130 cm

Description

She sits upright on the golden fleece, represented on the side by the ram's head. In an attitude of chastity, she holds her left arm over her face. A cloth hangs from her shoulder. The statue is most probably made of Brossasco marble, a material highly prized by Piedmontese sculptors. Umberto Baglioni studied in Modena, Urbino and Florence, then joined the academies of Turin and Florence, before becoming director of the Turin academy.
